Our Family. Caring for Yours.

Hello Neighbor

For five years, I have had the privilege of volunteering at Webster Comfort Care Home. I know firsthand the compassion, dignity, and love our volunteers and staff provide to every resident and family. When my own mother became a resident, **I experienced Webster Comfort Care Home in a completely new way** — as a daughter. From my heart, I can tell you, it is an extraordinary place.

My mother had dementia and, after a sudden hospital stay, we learned she had metastatic cancer. In that frightening moment, **I knew exactly where I wanted her to be** — Webster Comfort Care Home.

For one week, my mother was surrounded by kindness, compassion, and dignity. The staff and volunteers cared for our entire family, and helped us through **one of the most difficult weeks of our lives,** making an incredibly painful time a little easier. It was a gift to have her in such a peaceful place, with people who truly cared; a gift that my brothers and I were able to be with her and hold her as she took her final breath; a gift that our family will carry with us forever.

Please consider supporting this special Home through this Annual Appeal. Your generosity helps ensure that more families can experience the same compassionate care, comfort, and peace that my mother and our family received.

Thank you,

Dottie O'Rourke
